Recipes:

Kristie's Hungry Girl Omelet

Makes 1 serving

- 4 eggs
- 1 cup any vegetable
- ¼ cup onions, chopped
- 1-teaspoon butter
- 3 slices raw goat cheese or 3 ounces shredded

Whisk the eggs in a large bowl. Add the vegetables. Melt the butter in a skillet over medium heat. Add the vegetable mixture and cook until the eggs become semi firm. Then layer the cheese onto the omelet. Fold and continue to cook until lightly brown on both sides and the egg is no longer runny. Enjoy with a lot of baby greens.

Avocado, Tomato, Red Onion, Salad

Makes 1 serving

- 1 avocado, sliced or cubed
- 1 tomato, sliced
- ½ cucumber, sliced thin
- ¼ cup red onion, sliced thin or chopped
- 2-3 cups mixed baby greens
- 1 lemon, juiced
- ½ teaspoon sea salt
- 1-tablespoon olive oil

For the dressing: In a small bowl mix the lemon juice, olive oil, and sea salt and set aside. In a large bowl add greens, avocado, tomato, and red onion. Pour the dressing over the salad and toss until coated.

Zucchini Chips with Guacamole

Makes 1 serving

1 Zucchini, sliced thin
½ avocado, mashed
1-cup salsa
1-tablespoon real mayo or Vegemise
1 lemon or lime, juice
¼ teaspoon sea salt

In a medium bowl, mix the avocado, salsa, mayo, lemon juice, and sea salt to your liking. The sliced zucchini will be used as “chips” to dip into the dip. Enjoy! 😊

Maple Glazed Salmon

{for the gourmet cook}

Makes 4 servings

¾ cup Nama Shoyu, Soy Sauce, or BRAGGS Liquid Aminos
1 clove garlic
1-tablespoon fresh ginger
½ teaspoon toasted sesame oil
1-cup pure maple syrup
4 fresh salmon fillets, well rinsed

Mix the soy sauce, garlic, ginger, sesame oil, and maple syrup in a blender. In a glass baking dish place the fish spread evenly and pour the sauce over evenly. Marinate the fish in the refrigerator for 1 to 24 hours.

Preheat oven to 450 degrees F. Bake the fish for 18 minutes or until the fish flakes easily with a fork. Serve with your favorite vegetables.

Super Simple Salmon

Makes 4 Servings

1-tablespoon garlic powder
1-tablespoon dried basil
½ teaspoon sea salt
4 Fresh Salmon Fillets
2-tablespoon butter
4 lemon wedges

Stir together garlic powder, basil, and salt in a small bowl; rub in equal amounts onto the salmon fillets.

Melt butter in a skillet over medium heat; cook the salmon in the butter until browned and flaky, about 5 minutes per side. Serve each piece of salmon with a lemon wedge.

Avocado, Tomato, Sandwich

Makes 1 Serving

1 slice sprouted grain bread {Tree of Life, Genesis is my favorite}
½ avocado, mashed
½ tomato, sliced thick
Sea Salt

Toasted or fresh, on a slice of the bread spread the mashed avocado evenly. Add the sliced tomato and sprinkle with sea salt.

Creamy Tomato, Basil, Soup

Makes 2 servings

3 tomatoes
1 avocado
1-cup salsa
½ cup nutritional yeast {optional}
1-teaspoon sea salt

In a high-powered blender mix all ingredients together until smooth. This is a cold soup. A great warm soup option is Pacific Brand Creamy Basil Tomato Soup

Simple Grilled Chicken

Makes 4 servings

4 chicken breasts
2-tablespoons Olive Oil
3 pinches Lemon Pepper

In a small bowl, mix the olive oil and lemon pepper together. Lightly brush the chicken breasts on both sides and grill until cooked through. Serve with your favorite steamed vegetable.

Kristie's Favorite Salad

Makes 2 servings

4-6 cups fresh Arugula
½ cup feta
1 handful raw walnuts
¼ cup red onion, diced
1 zucchini, spiralized or sliced thin
1 lemon, juiced
2-tablespoons olive oil
1/4 –teaspoon sea salt or 2-teaspoons liquid aminos or balsamic vinaigrette

In a small bowl mix the lemon juice, olive oil, and other and set aside. In a large bowl place the arugula, feta, walnuts, red onion, and zucchini. Drizzle the dressing evenly and toss to mix.

Beet this Flounder

2 half pound flounder or trout fillets, rinsed
1-cup beets, chopped
1 cove garlic, diced
2-tablespoons lemon, juice
1-teaspoon butter, melted
Sea salt and fresh pepper to taste
1 cup raw corn cut off the cob {do not use frozen corn}
2-4 springs of your favorite herbs [optional]

Preheat oven to 450 Degrees Fahrenheit. Place the fish in a shallow baking dish, add the beets, then distribute the garlic, lemon juice, butter, and salt and pepper evenly over the whole dish. Bake uncovered for 25 minutes or until the fish begins to flake. On a dinner plate, place ½ cup of the raw corn and top with the baked fish and beets. Garnish your plate with your favorite herbs. Enjoy!

Cucumber Gazpacho

Makes 4 Servings

6 cucumbers, diced
1 onion, diced
1 stalk celery, sliced thin
1 jalapeno, chopped
2 cups fresh basil leaves, ripped
1-cup parsley, ripped
1 lemon, juice
4 ounces aged sherry vinegar
1 cup Greek yogurt
Sea salt to taste
Black Pepper to taste

Marinate everything but the yogurt together for 1-2 days in a plastic container. Place in blender and puree for 1-2 minutes—not so long as you don't want the veggies to break down to a point of a watery base. Once you have a puree of vegetables, mix in the yogurt by hand to get a creamy consistency. If you like, add a little diced cucumber and avocado to the top for garnish and texture.

Makes 2 Servings

2 [‘Simple Grilled Chicken Breasts’](#), sliced for sandwiches
8 large cabbage or romaine lettuce leaves

Makes 2 servings

1/3-cup real mayo or Vegenaïse
¼ cup salsa
1-teaspoon hot sauce or a small pinch of cayenne pepper
